

3508 Edgewater, Dallas, Texas

Armstrong at Travis, Dallas, Texas

Trends in multifamily housing first appear in the custom designed home, and **Oglesby-Greene** has been designing houses for individual families since 1950. The understanding of how people want to live enables us to design multifamily residences that have lasting appeal and that remain sound, long-term investments for their owners.

Gaston Avenue, Dallas, Texas

3523 Edgewater, Dallas, Texas
